

Abras Torrontés

Modern and typical at the same time, it expresses intense notes of jasmine, orange blossom, lime peel, orange, peach and muscat grape. The wine captivates with its roundness, good volume, and fullness, while its refreshing acidity gives it character. In the finish, the flowers return, met with an expression of minerality, and a spicy touch that adds complexity. Straw yellow color with greenish tints and low intensity.

Winery: Karim Mussi Wines

Region: Calchaquí Valley

Winemaker: Karim Mussi

Province: Salta
